Q4: How We Change the World

Grade 4 is starting Quarter 4 by exploring how our eyes and our brain work through hands-on activities. Plus, they are learning about important people in history and currently that help the environment.

In Math, the students are converting fractions into decimals and identifying the value of decimals relative to one half.

In Literacy, the students are brainstorming ideas for their biography writing. They are learning how to infer character traits by analyzing the thoughts, feelings, dialogue, and actions of people in texts. They are also comparing and contrasting firsthand and secondhand accounts of the same events or topics.

Homework Policy

- Grade 4 students will have homework every school day.
- Students will write their homework every day in their own personal planner.
- Parents should sign their child's planner EVERY NIGHT to ensure that homework is being done.
- Grade 4 students will do some homework online using various websites: IXL, Readworks, Raz-Kids
